

# Continuity of Education Plan

---

School District: Bright Spot Preschool & Kindergarten

Director: Tanya Bentman

Address: 200 W. Main Street, Trappe, PA 19426

Email/Phone: [director@brightspotcc.org](mailto:director@brightspotcc.org) / 610-489-1818

Website: <http://brightspotcc.org>

---

**Goal of Plan:** The goal of the plan is to continue instruction and activities for our kindergarten students through supporting worksheets and online learning tools.

**Overview of Plan:** The plan is aligned to the scope and sequence of our kindergarten curriculum. We created the plan based on prior learnings as well as what is needed to be taught for the remainder of the school year. The plan encompasses English Language Arts and math content.

**Expectations for Teaching and Learning:** The plan encompasses our kindergarten classroom students. The focus of the learning will be English Language Arts and math. Specifically, the focus will be letter recognition, phonemic awareness, phonics skills, reading, addition, subtraction, telling time, and counting money.

**Communication Tools and Strategies:** Most of the communication with parents will be through email and text messaging. A weekly email will be sent on Sundays with attached supporting learning documents. Upon request, I will deliver copies of the materials to the parent. I will be using reading and math websites to enrich and enhance learning. The websites are listed at the bottom of the document.

**Access (Devices, Platforms, Handouts):** All worksheets and handouts will be sent as attachments with the option of delivery. Parents can send completed work to me using email or text messages.

**Staff General Expectations:** Tanya Bentman is the only staff member that will be conducting remote learning with her students. She is the teacher for the only kindergarten class within the school. Mrs. Bentman's expectations are outlined below.

**Student Expectations:** Although all assignments are sent on Sundays, there are daily expectations to complete assignments. Students will spend approximately a total of 45 minutes weekly on each of the two websites in addition to the worksheets and handouts. There are opportunities for students to extend their learning on the websites.

Attendance/Accountability: Attendance is being taken daily via text messages and emails. Parents will check in with Mrs. Bentman by sending their child's completed work via attachments, pictures, and videos. Attendance will be taken asynchronously.

Good Faith Efforts for Access and Equity for All Students: Mrs. Bentman is available to support students and parents if needed. All parents have Mrs. Bentman's phone number and email address. They will be encouraged to contact her with any questions or need for support.

Special Education Supports: Not Applicable

EL Supports: Not Applicable

Gifted Education: Not Applicable
